

#### **Travel Dates**

Caribbean Cruise: January – March 2027 Costa Rica: March – April 2027

## Campaign Period

June 1, 2025 - August 31, 2026

## Qualifying

There are two qualification options:

#### **Life/P&C Qualification**

Issue a minimum of 12 qualifying Life Company policies totaling \$2,000 of first-year commission credit and a minimum of \$50,000 p&c growth.

• You may further reduce your buy-in through this qualification method with additional production. Every \$2,000 of Life Company commission credit reduces the buy-in by \$165, and every additional \$5,500 of p&c growth reduces the buy-in by \$225.

#### **P&C Only Qualification**

Produce a minimum of \$466,000 p&c growth for the Caribbean cruise or \$317,500 for Costa Rica.

- Additional increases to your p&c premium volume with Auto-Owners during the campaign period will lower your buy-in by \$175 for every additional \$5,500 of p&c growth.
- All Auto-Owners lines of business count toward your p&c premium volume (including Atlantic Casualty and Auto-Owners Specialty Insurance Company business) with the exception of flood insurance and residual market business.
- The buy-in charts in this guide are for a qualified traveler and spouse/guest. Your agency will receive monthly reports from Auto-Owners to track your progress.
- Find everything you need, including registration, your trip reports and trip information, at aoins.com under Marketing & Sales → Incentive Travel.

et sail on an unforgettable journey through the sparkling heart of the Caribbean aboard a private Windstar yacht, chartered exclusively for our travelers. This curated, nine-night winter escape in 2027 blends laid-back island charm with sophisticated indulgence, offering a chance to experience the Caribbean as few ever do – on your own luxurious path through paradise.

The itinerary was crafted exclusively for A-O Trips travelers, providing a once-in-a-lifetime experience that cannot be duplicated on any other cruise. Your cruise comes complete with a wide variety of included drinks and dining options, so you can indulge in everything from morning mimosas to sunset cocktails while savoring gourmet meals.

Your adventure begins in San Juan, Puerto Rico, a city that pulses with rhythm, color and colonial grandeur. Your first night will be spent in your roomy cabin aboard the Windstar Pride while docked in San Juan, enabling you to explore the city at your leisure. Stroll the cobblestone streets of Old San Juan, where Spanish forts overlook the sea and pastel-hued buildings house vibrant boutiques and hidden cafés. As the sun sets on the next day, you will set sail into the moonlit Caribbean.

The first port of call is the British Virgin Islands, where Virgin Gorda welcomes you with its iconic Baths – giant granite boulders forming natural sea pools that are perfect for a morning swim or a relaxing snorkel. From there, you will indulge in a day at sea, with a chance to unwind aboard the ship with spa treatments, island-inspired cuisine and endless ocean views.

Next, the lush volcanic island of St. Lucia awaits. Anchoring in Soufrière, you'll be dazzled by the twin Pitons rising dramatically from the sea. Opt for a scenic tour, venture through the rainforest or indulge in a tasting experience showcasing Creole flavors. As the sun sets, enjoy a magical sail past the Pitons – one of the most breathtaking vistas in the Caribbean.

In Antigua, you will dock in Falmouth, a haven of historic charm and yachting elegance. Browse artisan shops for handmade treasures or explore the island's 365 beaches. Then it's on to St. Kitts and Nevis, where the capital city of Basseterre offers a fusion of colonial architecture and vibrant markets. Take a heritage tour, ride ATVs through the countryside or discover panoramic views from a scenic railway.

A highlight of the itinerary is cosmopolitan St. Barts, where chic boutiques, French cuisine, and powder-white beaches create a setting that's both glamorous and relaxed.

A highlight of the itinerary is cosmopolitan St. Barts, where chic boutiques, French cuisine and powder-white beaches create a setting that's both glamorous and relaxed. Enjoy a leisurely day in Gustavia soaking in the island's unique blend of Caribbean beauty and European flair.

A final day at sea eases you into the conclusion of this luxurious voyage, giving you time to relax, connect and reflect as the ship makes its way back to San Juan. Whether you're savoring fine cuisine during a cooking demonstration, dancing to live music or indulging in a massage as the sun dips into the sea, every moment is designed for delight.

This exclusive Caribbean cruise is more than a winter escape – it's an immersive journey through vibrant cultures, natural wonders and sun-drenched elegance. Join us in 2027 for a travel experience that's as intimate as it is inspiring.

Whether you're seeking adventure, relaxation or quality family time, this luxurious retreat offers an all-encompassing experience that will leave you with cherished memories and a longing to return. We look forward to embarking on a Costa Rican adventure with you in the spring of 2027!

## **General Rules**

The General Rules apply to both the Life/p&c qualification method and p&c only qualification method. Specific rules for Life/p&c qualification and p&c only qualification are found after the General Rules.

#### **General Rule 1 - Campaign Period**

June 1, 2025 through August 31, 2026

#### **General Rule 2 – Eligible Lines of Business**

All eligible p&c premium growth, including Atlantic Casualty and Auto-Owners Specialty Insurance Company business, will go toward reducing the buy-in cost to travel.

Eligible lines for p&c include all lines of insurance except:

- Flood
- Residual market business
- Atlantic Casualty North Carolina Reinsurance Facility business

#### **General Rule 3 – Credit for Property and Casualty Policies**

Any one policy will be capped at +/-\$20,000. Audits will be capped at +/- \$5,000.

#### **General Rule 4 - Retention Ratio**

Each month, your agency's personal lines retention ratio will be compared to the state average personal lines retention ratio. If your ratio is higher than the state average, you will earn bonus premium to reduce your buy-in amount. In addition, your agency's commercial retention ratio will be compared to the state average commercial retention ratio. If your ratio is higher than the state average you will earn bonus premium similar to personal lines.

#### **General Rule 5 - Persons Eligible for Travel**

A licensed agent and spouse/guest or a key agency employee and spouse/guest are elgible for travel. Children and grandchildren of agency employees are welcome only on the Costa Rica trips. A key agency employee must be a full-time employee of the agency for a minimum of six months prior to travel to qualify. The agency and all travelers must be active and in good standing with Auto-Owners at the time of the trip. Any agency whose monthly account is not in satisfactory condition at the time of travel will be disqualified.

A change in structure of an agency does not necessarily result in a premium increase/decrease. When such a change takes place, adjustments will be made to achieve equity for all parties.

#### **General Rule 6 – No Substitute Arrangements**

No substitute arrangements, nor cash payments, can be made in lieu of the accommodations furnished to you by the company. Auto-Owners pays for coach/economy airfare, accommodations, certain meals (*shown in final itinerary*), tips and service charges for all group activities, plus expenses for all events listed in the final itinerary furnished by the company. All other expenses, such as beverages, airline luggage fees, extras ordered at table, in-room mini bars, laundry, telephone calls or items of a personal nature, must be paid by the individual incurring such charges.

#### General Rule 7 - General Intent

The rules and conditions set forth in this brochure convey the company's general intent. Should any circumstances arise that bring about inequities for travelers and/or the company, the company reserves the right to modify rules for any individual or for the traveling group. Should unsettled international conditions or other factors arise, the company reserves the right to modify or terminate the program but will substitute other destinations or arrangements of equal value. The company reserves the right to modify the rules in order to maintain regulatory compliance.

There are two methods to qualify for an Incentive Travel trip: Life/p&c qualification method or p&c only qualification method. Each registration will qualify under the method that will be most advantageous to the agency.

### Life/P&C Qualification Rules:

# Life/P&C Rule 1 – Life and P&C Requirement to Qualify

For each couple or single attendee, two qualifications must be met: a minimum of 12 Life Company policies (life, health and/or annuities) that produce \$2,000 or more of first-year commission credit must be received in our home office on or before August 31, 2026; and put in-force by October 15, 2026, AND a minimum of \$50,000 p&c growth is needed to qualify. Every \$2,000 of Life Company commission credit reduces the buyin by \$165. Every additional \$5,500 of p&c premium growth above the minimum qualification requirement reduces the buy-in of your trip by \$225.

Although every effort is made to accommodate all qualifying travelers, a limited amount of space is available. In order to receive priority reservations, it is highly recommended to meet the minimum Life Company business requirements by March 31, 2026.

#### Life Rule 2 - Life New Business Rules

Campaign credit will be given for first-year commission credit on signed life, health and annuity new business applications received in our home office between June 1, 2025, and August 31, 2026, resulting in an issued, paid-for and in-force policy by October 15, 2026.

Policy count and commission credit on a new business annuity policy will be given with an initial premium payment equal to or exceeding the required policy minimum in force at the time of application. (This minimum does not apply to money received under SEP or SIMPLE plans.)

In all cases, the maximum life, health and annuity commission credit that will be allowed on any one insured person or annuitant is \$2,000 per line of business (life, disability income, annuity). A maximum of one policy count will be allowed for each individual for each line of business of Auto-Owners Life Company. Permanent life insurance (universal life or whole life) and term life insurance (not including Simplified Issue products) with a minimum death benefit of \$100,000 each shall be counted as two different lines of business and earn a policy count for each

Example: If a term policy with a death benefit over \$100,000 and a whole life policy with a death benefit over \$100,000 were issued for the same individual, the campaign policy count credit would be two. If two term policies were issued for the same individual, the campaign policy count credit would be one.

A term policy issued during a previous campaign and converted to a permanent policy (not including

Simplified Issue products) will receive policy count and campaign commission credit as described in Life Rule 4.

#### **Life Rule 3 – Premium on Existing Annuities**

First-year commission paid on Item 500/501 Annuity premiums received in our home office between June 1, 2025, and August 31, 2026, will earn commission credit.

Example: An \$8,000 annual premium Item 500/501 deferred annuity policy, paid quarterly and issued two months before the campaign began, will earn commission credit on the second, third and fourth quarterly premium payments paid during the campaign period. Annuity premiums must be paid during the campaign period to earn commission credit.

A single premium payment of \$5,000 or more to an existing Item 500/501 Roth or traditional IRA, or \$8,000 or more to any 500/501 non-qualified annuity, SEP or SIMPLE plan, earns a first-year commission credit and a policy count (subject to Life Rule 2, maximum one policy count per annuitant during the campaign).

Deferred annuities of \$25,000 to \$100,000 currently written with the Life Company that are converted to a settlement option during the campaign will earn one policy count and campaign commission credit of \$100 toward this campaign. Settlement options of \$100,000 or more will earn one policy count and campaign commission credit of 1% of the total value at the time of conversion.

#### **Life Rule 4 – Life Policy Count Credits**

Universal Life Perma Term® 2 & 3, and disability income insurance will earn policy count credit calculated at 150%.

Five Year Simplified Issue Term policies will earn policy count credit calculated at 50%.

Single Premium Immediate Annuities of \$100,000 or more will earn policy count credit calculated at 200%.

All other policies will earn policy count at 100%.

#### Life Rule 5 – Policies Must be in Force for Credit

Life and health policies for which commission credit was given that are not in force on October 15, 2026, will be deducted.

#### **Life Rule 6 - Advanced Premium Accounts**

Money deposited into an advanced premium account will only receive first-year commission and campaign credit when it is transferred to the policy as a payment during the first policy year.

# Life Rule 7 – Policies Owned by or on Agency Personnel

Life and disability income insurance applications received after March 31, 2026, owned by or on the lives of agents and agency employees must have the first two years of premium paid at time of issue to receive campaign credit. For universal life, only one year of premium is required under this rule. This rule does not apply to annuities, Single Pay Whole Life or Ten Pay Whole Life.

## **P&C Only Qualification Rules:**

#### P&C Only Rule 1 – P&C Growth Requirement to Qualify

For each couple or single, a minimum of \$466,000 p&c growth for the Caribbean cruise or \$317,500 for Costa Rica is needed to qualify. Every additional \$5,500 of premium growth above the minimum required to qualify reduces the buy-in of your trip by \$175.

Although every effort is made to accommodate all qualifying travelers, a limited amount of space is available. To receive priority reservations, it is highly recommended that you qualify early in the campaign and use the remainder of the campaign to further reduce buy-in.

# P&C Only Rule 2 – Policies Must be in Force for Credit

Your agency's p&c growth throughout the campaign will be displayed on the monthly Incentive Travel production reports. Final p&c growth will be displayed on the August 2026 Incentive Travel production report.

# **FAQs**

#### When will I know the travel dates?

We are pleased to offer our travelers several options of group travel dates for each destination. These travel dates will be communicated at a later date and added to aotrips.com.

#### Can children or grandchildren be included in the trip?

Children and grandchildren of qualified travelers are welcome on the Costa Rica trips but not on the Caribbean cruise. The children/grandchildren buy-ins and other arrangements will be communicated at a later date and added to aotrips.com.

## If I don't have a passport, can I select my travel dates for the Caribbean cruise or Costa Rica trip while I'm waiting to receive my passport?

No, both trips require a valid passport book. Passports must be valid for a minimum of six months past your travel dates for the Caribbean cruise and for the duration of your trip to Costa Rica. Copies of valid passports for all travelers must be submitted with your signed hold harmless agreement before trip dates can be confirmed.

#### My child is in college but works in the agency during the summer. Do they qualify for the trip?

Yes and no. They are welcome to travel with a key agency employee as a guest. They would not qualify as a full-time agency employee as they would not have worked for a minimum of six months prior to travel time.

## I wish to travel on both trips. Do I need to obtain the minimum qualifications requirement for each trip?

We would love to have you travel on both trips and we appreciate your business! Each trip requires the established minimum qualification requirement for each couple or attendee.

## Can my married daughter and her husband (who are not affiliated with the agency) qualify or "buy-in" for the trip?

Your daughter can travel as a child on the family trip to Costa Rica. The only way your daughter's husband can travel is as your companion/guest. He cannot travel as a child/grandchild on a family trip or buy-in. Please see General Rule 5.

#### I am a single person traveling by myself. Are my buy-ins the same?

No. Single person buy-ins will be half of the per couple buy-in amount, plus a "single supplement" to be determined at a later date before travel. It is still necessary to meet the minimum qualification requirement.

#### If I have multiple registrations, can I choose the qualification method for each one?

Each registration is systematically placed under the most effective qualification method. You may have one registration qualify by Life/p&c and others p&c only, but the method cannot be blended for the same registration. This is important to keep in mind if you are planning to bring children to Costa Rica.

#### Will I have to pay taxes on my trip?

We do not schedule any business meetings on these trips, so you can enjoy your vacation! The IRS requires us to report any portion of the value of the trip that is earned for free on your agency's 1099. This amount will be included in the 1099 that the agency receives from Auto-Owners in early 2028.
